

# Theatre Showcase Programme

## Saturday 27th June, 7pm

Showcase featuring purely the work of 16-21 year olds. Join us to create a safe space to celebrate the work of these emerging artists and vote for your favourite for a chance for them to win a £50 gift voucher.

Programme selected from our open call out by the Young Producers with Amit Sharma and Kaya Stanley-Money.

#RECLAIMEDFest

Programme running time approx 40 minutes

### 1. Booster Seat

Written and performed by Aisling

Kelsey reaches out to a local railway worker after the job interview from hell. A monologue that exploring friendship, smallness and fear of judgement.

\*

### 2. Time

Written and performed by Aderemilekun

This monologue explores the significance of Time whilst we face the Covid-19 pandemic and the racism and discrimination experienced by people of the colour all over the world.

\*

### 3. A virus is not the only killer

Written and performed by Shoshana

A personal story of mental health and impact of the Covid-19 pandemic. A piece about the importance of it is to check up on not only yourself but also you're friends and family during this time regarding their well-being.

\*

### 4. Fires our shoes have made

Written by Oscar

Directed by Matt

Sound Design by Luke

Performed by Joe, Lucy, Gez, Mollie, George, Hayley

Co-Produced by Kate and Niall

Join 15-year-old Jay and 12-year-old Saskia on the biggest quest of their lives as they journey through a city like London. This gig theatre experience gives a snippet of their journey as they run away from home and attempt to fend for themselves with nothing but dreams on their side.
