About the project and the person we're looking for:

China Plate Theatre and Birmingham Hippodrome are seeking a dynamic Midlands-based Associate Music Director for *To The Streets!* a new concert musical presented as part of Birmingham 2022 Festival.

Written by Roy Williams, with music and lyrics by Tim Sutton, directed by Christopher Haydon, design by Soutra Gilmour and choreography by Dannielle 'Rhimes' Leconte, *To The Streets!* is an uplifting brand-new outdoor production, based on the true events of the Bristol Bus Boycott – a pivotal event in British Civil Rights history.

The Bristol Bus Boycott is an under-remembered historical event which took place in May 1963, as a protest against the refusal of the Bristol Omnibus Company to employ Black and Asian drivers and conductors on its buses.

At the centre of this project is a vital social message about the importance of acceptance, courage and allyship. In this way it will be a fundamentally hopeful piece of event theatre, told with joy and music.

It is important to us that the creative team of *To The Streets!* is representative of the communities it shows on stage, therefore we particularly encourage candidates of Black and South Asian heritage. Black is defined for these opportunities as people of Black African, Caribbean, Afro-Latinx and African-American heritage, including those of mixed-Black heritage who identify as such.

China Plate is an inclusive organisation and an equal opportunities employer. Our aim is to create a diverse and inclusive working environment which reflects the communities we live and work in, both on and off the stage.

About Birmingham Hippodrome

At Birmingham Hippodrome we are on a mission to enrich the cultural life of the region.

We are an independent charity, funding our wide-ranging and dynamic programme of theatre, musicals, dance, opera, festivals, education and community activities through ticket sales from our 1,800-seat auditorium, 200-seat Patrick Studio, donations and generous support from local and national trusts and foundations.

In 2019/20 – our 120th anniversary year – we proudly fulfilled our ambitious vision to double our impact to one million moments of cultural engagement: welcoming 550,000 people to performances on our stages and reaching a further 450,000 through our work with our communities, schools and co-produced performances on tour nationally and internationally.

We produced our first main stage youth musical *West Side Story*, involving over 1,000 young people in the process, and co-produced the What's On Stage Award-winning *The Color Purple* with Curve. New, co-commissioned productions with Hippodrome Associates included: Aakash Odedra Company (*Samsara*), Motionhouse (*WILD*), Open Theatre (*The Twisted Tale of Hansel & Gretel*), Rosie Kay Dance Company (*10 Soldiers*), Sonia Sabri Company (*Same Same But Different*) and Zoo Nation: The Kate Prince Company (*Message in a Bottle*, with Sadler's Wells and Universal Music); and a new work from Cuban choreographer Raul Reinoso as part of Acosta Danza's acclaimed *Evolution* touring programme.

We are the largest dance campus outside London, home to Birmingham Royal Ballet (led by Carlos Acosta), DanceXchange, Dance Consortium, OneDanceUK and The

Space; recently developing a new partnership with Chaillot: Theatre National de la Danse (Paris) and being hailed as “a new capital for dance”.

Off stage, we further enhanced our reputation as the leading provider for Festivals, engaging over 150,000 people through performances and participation on our city’s streets through B-Side Hip Hop Festival, co-producing the city’s Chinese New Year celebrations, and a monthly cultural programme in Bullring Grand Central, Birmingham’s flagship retail centre. Our Hippodrome Education Network delivers creative activities in 28 partner schools every week - 19 of which are in the UK’s top 10% most deprived communities - with over 20,000 young people taking part over 100,000 times each year.

Even though our doors have been closed for live performance for 12 months we have continued to find ways to bring arts and culture to our communities. In October 2020 reimaged our auditorium to open the UK premiere of Van Gogh Alive, a socially distanced, multi-sensory experience that brought much-needed joy to the region. We followed this with a message of hope and peace beamed across Birmingham and the Black Country over the new year: the stunning light installation Global Rainbow by Yvette Mattern, in partnership with Global Streets.

As we look to the future, we are proud to place inclusion at the heart of all we do and were delighted to receive the West Midlands Tourism Award for Most Accessible and Inclusive Venue in 2020.

About the project:

At the centre of this project is a vital social message about the importance of acceptance, courage and allyship. In this way it will be a fundamentally hopeful piece of event theatre, told with joy and music.

Alongside the concert performances will be a programme of artistic events and interventions born of the local community, inspired by the themes of the production.
